DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 12/30/09 has been entered.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Paff (6665004) discloses an apparatus that relates to security systems (Paff: column 1, lines 11-13). This apparatus comprises "generating a plurality of video signals corresponding to a respective view from a plurality of cameras" (Paff: figures 1 and 3, wherein each of the cameras generates a video signal, wherein the respective view is the coverage area of the camera), "generating a security device signal" (Paff: column 9, lines 15-20, wherein the security device signal is the alarm signal), "when the security device signal is generated, automatically changing a display to a first video signal in response to the security device signal" (Paff: column 14, lines 40-45, wherein once the alarm is generated, the corresponding video is displayed on the monitor), and "displaying an icon of the security device on the display corresponding to an alarm state" (Paff: column 9, lines 35-40, wherein the icon changes color based on the alarm

state). However, this apparatus lacks the touch screen as claimed. This apparatus further lacks the specifics of the 3-D display and icons. A further search was conducted which failed to yield any prior art. Therefore, the prior art fails to teach or render obvious these limitations taken within the others in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
